Your Information

Thank you for agreeing to take part in our annual Tenant Perception (TP) survey - formerly STAR (Survey of Tenants and Residents)

The Regulator for Social Housing has introduced a Tenant Satisfaction Measures Standard (TSMs), which came into effect on 1 April 2023. TSMs are one part of the package of changes to consumer regulation included in the Social Housing (Regulatory) Bill.

The TSMs will provide data about landlords' performance and the quality of their services. This will help tenants hold their landlord to account as well as helping the Regulator in its future consumer regulation role.

There are eight sections for you to complete in this survey and we would appreciate it if you would complete all of these.

Once you have submitted your results, you will automatically be entered into our prize draw, where you could be in with a chance of winning £50 of Love2Shop vouchers.
